### Applicant Initiated Interview Summary under MPEP §713.04

Dear Examiner Timblin:

Applicant herewith files its Summary of an Applicant initiated interview in compliance with MPEP §713.0 in view of the Telephonic interview conducted 12 September 2007.  Applicant respectfully requests the consideration and entry of the Summary into the application.

Subsequent to Applicant's request, a telephonic interview was conducted in the above referenced case on 27 August 2007.  Participants in the interview were:

    (1) Mr. Robert M. Timblin, Patent Examiner.

    (2) Mr. Sherman D. Pernia, US Representative for Applicant.

Documents discussed:

    1.    Office Action mailed 17 May 2007.

    2.    Applicant's Informal Reply fax filed 10 September 2007.

Issues Discussed:

Rejection of independent claims 1 under 35 USC §103(a) over the Rassmussen '990 publication in view of the Martin *et al.* '519 publication, and Applicant's proposed amendment.

Substance of Discussion:

a.  Whether Applicant's proposed amendment of claim 1 addressed the issue.

b.  Whether Applicant's proposed amendment to add a new dependent claim containing a Markush group of certain printed media species was supported by the disclosure.

Results of the Discussion:

a.  It was agreed that the proposed amendment of claim 1 addressed this issue.

b.  It was agreed that a dependent claim of the certain printed media species was supported by the specification.

Respectfully submitted,

/Sherman D. Pernia/
